

FAMILY MINISTRY

Here is what is happening this Summer at the Park!

A WORD FROM OUR SUMMER INTERNS

CARMEN PERKINS

Family Ministry Intern with Children
email - children@collegepark.ws

Hello College Park! My name is Carmen Perkins and I am the children's intern for the summer. I am currently studying psychology at Winston-Salem State University, and I want to eventually pursue a job counseling children.

I grew up in College Park, but moved away after I graduated from high school. It is great to be back here and witness how God has blessed the church's growth. College Park was an integral part of fostering my relationship with God growing up, and I feel blessed and grateful to be here to give back.

I am so excited to be part of your children's growth in God this summer. I have already been able to spend Memorial weekend at Camp Kanuga with the awesome Creation Kids. We had fun learning about Joseph and traveling back in time. I can not wait to continue this story at Children's Day Camp in July. I am also thrilled to be working with the preschoolers this summer at their day camp.

This position is also giving me an opportunity to grow in my relationship with God. I am thankful to have the opportunity, this summer, to expand my knowledge about the spiritual gifts and talents He has blessed me with. I am thankful for everyone who has supported me through prayers and encouragement so far. I know this will continue as I make College Park my home church. It is a joyous feeling to be accepted back into a church which has made such an impact on my life.

KAITLIN MUNDY

Family Ministry Intern with Youth
email - youth@collegepark.ws

Hey! My name is Kaitlin Mundy, and I will be the youth intern at College Park this summer. I graduated from Wake Forest in May, and will begin studying at Wake Divinity in the Fall.

College Park opened its doors to me while I was an undergrad at Wake, and I found a church home-away-from-home in Sunday School, the worship services, and the Co-ed softball team.

Now, I am so grateful to be able to serve the church through this internship opportunity as I transition to Divinity School.

One of the biggest ways that I continue to grow in my faith is by never being afraid to ask questions about God, the Bible, or what our role as Christians should be in the world. I'm convinced that the Church can be at the forefront of doing justice, loving mercy, and humbly walking with the rest of the world, which is why I'm excited to work with the youth this summer and find out where God can use us in that mission.

We have a ton of fun trips and activities planned for this summer, and I'm looking forward to meeting the youth, their families, and the rest of the church as we have fun and fellowship with one another.

Your prayers and continued support are immensely appreciated, and I look forward to meeting you if I haven't already.

CAMERON GOODMAN

Family Ministry Associate (Recreation)
email - recreation@collegepark.ws

Hello! My name is Cameron Goodman and I am the recreation intern for this upcoming summer! I will be a junior this coming fall at Elon University, double majoring in Sport/Event Management and Business Management. I am excited to be back home for this summer and to be working with the people of College Park.

I am very thankful and blessed to have this opportunity with this church. I have been a part of College Park my whole life and I am grateful for the opportunity to be a part of something that had such a major positive impact on my life. I believe this internship will be a great way to put my passion for sports and recreation to use and I'm eager to see how God will use me through my work at the church.

This is the first time College Park has had a summer recreation intern and I am excited to be the start of something new and a part of the church's summer ministry team. My goal for this summer is to create new recreational programs and events for anyone of any age to enjoy together both inside and outside of the gym.

I would like to thank everyone who has been a part of my growth here at College Park. I appreciate all the prayers and support I have received and ask for your continued support as I discover, through this internship, the talents and gifts God has given me.
