## *From Your Pastor...*

### *Our Mission ...*

*"A people gathered in  
Christ;  
nurtured in His Spirit;  
and sent in His name."*

It has been a summer of growth... As a church I believe we have grown in our understanding of what it means to worship God, and that worship is not necessarily a matter of style, but a matter of focus. Our L.I.F.E. service has helped us understand that different generations worship in slightly different ways, but it is the same God we worship, and He is pleased with our sincere offerings of praise! And while worship, being God-centered, may not be considered "outreach," different styles of worship help us to bring people into the body of Christ who may have slightly different "points of connection." Connecting with people is ultimately one of the most challenging tasks that we have before us as a church! Leading people to "connect" with God is one of the most awesome privileges we have as believers!

So we have grown some in our understanding...now we need to grow in application of that understanding. Do a "time analysis" of your typical day, and then look to see how much time is devoted to things that really matter for eternity. It will probably shock us to see how much of our precious lives we are giving away to things and circumstances which are temporary in nature. Join with me today, and pray that God will reveal to you each and every day how He would have you to be used for eternity's sake. Relationships...investing ourselves in others, so that many more may come to know Christ...now there's a worthwhile goal!

Our mission team is back from New York City, and it was an amazing week. There are so many stories to tell and so little space to write this article. Every member of our church has reason to be exceedingly proud of the entire mission team. Each youth and adult went well beyond what was expected of them, and God blessed us with a wonderful week. You will hear many of the stories in coming weeks, but I thought an overview might be helpful.

### Day Camp

The majority of our time was spent in the park at the Albany Homes neighborhood in the middle of Brooklyn. Our team ran the third week of a five-week day camp for a local church, Greater Restoration Baptist Church. The camp ran from 10:00 a.m. until 3:00 p.m. each day, Monday through Friday. The youth had prepared games, Bible studies, crafts, recreation, and a variety of other activities for approximately 45 neighborhood children. While the activities were an important part of the week, the relationship our kids made with the day campers proved to be the most meaningful part of the week. By the middle of the first morning, our team members had already shown love and were receiving love as well. Lives for both groups had been changed by the end of the week, and it was a blessing from God.

### Worship

During several of the nights in New York, we were able to experience worship along with other churches that had come to NYC. It was a powerful encounter with God as we joined together with churches from Alabama, North Carolina, and Massachusetts. One of the best times of worship is when we traveled to Brooklyn Tabernacle Church which was close to where we were staying. It was a completely different worship experience than we were used to, and God taught us the value of knowing how different people worship. We encountered God in each worship service.

There are many other stories to come, and each member of our church has much to celebrate. I look forward to seeing what God does with what happened in NYC.

## CHILDREN'S MINISTRY

### "Movies at the Cross" Day Camp

July 28, Aug. 4

Hey kids, this summer's Day Camp has been a ton of fun. The sad part is the summer is almost over. We have two more days of day camp left! Remember that we are going to finish up the summer with a great pool party! Check out the flyer at the Welcome Center desk. Call Lizzy, Matt, or Jeff with any questions.

### Children's Basketball Camp

August 8 - 12, 9:00 a.m. - 12 noon

All children who are rising kindergarten through rising 6th grade are invited to Basketball Training Camp in the College Park parking lot and Smith Hall. The cost is \$15. Look for more details and put these dates on your calendar!

## YOUTH MINISTRY

### Tacky but Tasteful Goodwill Prom

August 2, 7:00-9:00 p.m.

The youth have been enjoying our weekly Bible study each Tuesday evening. We will be wrapping up this weekly event with a new fun event, the "Tacky but Tasteful" Goodwill Prom. That is right, we are inviting all youth to go to Goodwill and support their great ministry to the community by purchasing an outfit for our "prom." The outfit needs to be tacky AND cheap! Don't miss this great night of fun!

### Youth Basketball Camp

August 8 - 12, 7:00 - 10:00 p.m.

Hey youth, we are not going to let the children have all the fun! We are having our own basketball camp for youth in grades 7-12. It will be held each night, August 8-12. The cost for the camp is \$15. See Matt or Jeff if you have any questions!

## MUSIC MINISTRY

### Handbells

The Good News Ringers are looking for a few more people to help out and play this upcoming year. If you are interested in participating in handbells, whether you have played in the past or have never played before (if you can read music, you can play handbells), please call Betty Hardison (768-5759).

## FAMILY MINISTRY

### The Park @ Horizons Park

July 31, 3:00 - 6:30 p.m.

Our church is having a new kind of "@ the Park." This one is going to actually be at a local park, Horizon's Park to be exact. We want you to come for fellowship and fun! Invite your neighbors! We will enjoy playing volleyball, horseshoes, or Frisbee Golf. The kids will love the playground and everyone will enjoy the Picnic Shelter as we share each other's company for the afternoon. Bring your own picnic or snacks and join in the fun!
