East Carolina University

Russ Talley
North Carolina State University

An open letter to the Class of 2010

The people of College Park Baptist Church are extremely proud of who you are in Christ and of your many achievements. Our prayers will stay strong as you continue on your journey. May God's blessing and grace go with you. Let the Lord lead and guide you throughout each day. Rest in the assurance that He can bring you joy and comfort regardless of the circumstances you may encounter. The power of your faith comes in knowing that God has a purpose for your life. We encourage you to continue discovering the many reasons you were put on this earth. We live in a world which longs for faithful people who will see the needs of others and use their God-given abilities to change things for the better. We know you are exactly what our world needs. We look forward to seeing you grow in Christ and contribute even more wonderful things in the days to come.

Congratulations on your graduation!
